North Asia Express Service (NAX)

Change of Vessel Deployment

MV. Motukea Chief

Dear Valued Customer,

Please be advised that the *MV. Changsha* will phase out of NAX on voyage 2501N and be replaced from voyage 2504S by her sister vessel the *MV. Motukea Chief*, phasing in from our Westwood trade. The swap will occur in Shanghai China, to enable cargo to be exchanged from affected Swire Shipping services with minimal schedule impact.

This change will be reflected in our schedules published this week.

We appreciate your continued support and look forward to working with you. Should you have any questions, please contact your local Swire Shipping representative.

Yours sincerely,

Swire Shipping
